Re: Birks & Mayors Inc. v. L.J. West Diamonds, Inc., Index No.: 07-cv-6688 4/17/08

Dear Judge Maas:

We are attorneys for plaintiff Birks & Mayors Inc. in the above-referenced action. We write on behalf of each of the parties to request an adjournment of the settlement conference before Your Honor now scheduled for next Wednesday, April 23, 2008, at 2:30PM.

Yesterday, Judge Sullivan granted the parties' request for an extension of the discovery deadline to June 20, 2008 (endorsed memo attached). Accordingly, the parties request an adjournment of the settlement conference until after the end of fact discovery so as to make the settlement conference more productive. The week of June 23 is convenient to counsel and the parties.

Respectfully,

Robert A. O'Hare Jr.
